

# Hope for the Future

Building Sustainable Communities Together

## SERVICES

Life Skills Training courses  
Accredited Computer Training courses  
High Job Placement potential for course graduates  
Helping students become a sustainable impact in their communities

## TARGET

Unemployed, matriculation completion, 18 – 26 year old

## STATISTICS

Course content proven over past 8 years  
School facilitators with broad experience

## HOW BRIDGE FOR HOPE CAN HELP YOU:

### Training:

For someone you know, for unemployed, and for students having finished High School.

We provide further development and training that businesses are looking for today.

### Employee Recruitment:

Bridge For Hope (BFH) has developed relationships with agencies, businesses, and companies to provide a referral service for those students that have proven themselves after finishing the program.

## HOW YOU CAN HELP BRIDGE FOR HOPE:

Volunteer: Mentor / Discipleship. Trade skills (computer, flooring, sewing)

Donate: Student or staff sponsorship, monthly or once off donations.

## *DATES & COSTS*

Bridge For Hope is a  
Christian based organisation.
